

SuperSixties 2025 is a series of six stand-alone race events on different circuits. Trophies are handed out at each event, based on the combined results of the races. Over the season, we monitor the drivers' performances using a scoring and classification system. The resulting ranking has no status whatsoever, except that it enables us to hand out more trophies and prizes at the end of the season.

Article 1 - Points scoring

To be classified, a competitor must have covered at least 75% of the overall winner's distance. The official result per class of each race determines the number of points achieved for the classification, unless the published result contains obvious inaccuracies, this at the discretion of the NKHTGT board.

Points scoring is as follows:

<i>For classes with three or more participants:</i>	<i>For classes with one or two participants</i>
<ul style="list-style-type: none">• 1st in class 20 points• 2nd in class 16 points• 3rd in class 12 points• 4th in class 10 points• 5th in class 8 points• 6th in class 6 points• 7th in class 5 points• 8th in class 4 points• 9th in class 3 points• 10th in class 2 points <p>To all other classified participants: 1 point</p>	<ul style="list-style-type: none">• 1st in class 10 points• 2nd in class 8 points
Every competitor who has started will receive 0.2 extra points for each participant that has started in their class	

Article 2 – Classifications and standings

Within SuperSixties 2025 there will be two classifications maintained by the class itself.

2.1 – Event classification

A combined result of all (usually two) races held during an event will form the basis of the event prize giving, to be held at each event shortly after the final race. Due to time constraints, sometimes the provisional results will be used. Trophies will be awarded to the overall top-3 as well as the first 3 classified drivers in each class.

2.2 – Overall classification

The points awarded as per article 1 will be accumulated into an overall and a per class ranking for the 2025 season. All participating drivers in SuperSixties 2025 will be classified. The intermediate ranking and - after the last race - the final ranking will be published as soon as possible after each race on the SuperSixties website:

<https://www.supersixtiesracing.com/standings>. The highest scoring driver in the final ranking will be awarded the SuperSixties Classic Racing League Trophy.
